

JACOB SCHIFF - the man who wrecked the world three times over THE BOLSHEVIK REVOLUTION

Born Frankfurst 1847, father a Rothschild broker. Moved to USA 1865 Married Nina Loeb, became partner in Kuhn, Loeb & Co. Brother-in-law was Paul Warburg, principal founder of the Federal Reserve Bank. April 1904. Schiff agreed to extend loans to the Empire of Japan in the amount of \$200 million (equivalent to at least 20 billion, through Kuhn, Loeb & Co. half the funds needed for Japan's war effort. Wiki: "It is quite likely Schiff also saw this loan as a means of answering, on behalf of the Jewish people for the antisemitic actions of the Russian Empire, specifically the recent Kishinev pogrom in 1903". Japan's military was dependent on massive imports of munitions, purchases made possible by Schiff's loan. Japan awarded Schiff the Order of the Sacred Treasure and the Order of the Rising Sun, Gold and Silver Star. Schiff was the first foreigner to receive the Order in person from Emperor Meiji in the Imperial Palace. Poured money into Russian revs from 1905 On February 3, 1949, the New York Journal-American stated, "Today it is estimated even by Jacob's grandson, John Schiff, a prominent member of New York Society, that the old man sank about \$20,000,000 for the final triumph of Bolshevism in Russia. Other New York banking firms also contributed." Between 2 and 5 billion today. Revisionism that he only funded moderates (c/f Syria) "Schiff had, of course, contributed to groups advocating the overthrow of the Tsar," says Ackerman. "But once the Tsar was overthrown, Schiff was aligned with the Kerensky government. So he was not aligned at all with Trotsky or the Bolsheviks." Kenneth D. Ackerman, a historian based in Washington D.C., has recently published "Trotsky in New York 1917: A Radical on the Eve of Revolution." Admits Schiff had openly used his wealth to pressure Russia into changing its "anti-Semitic" policies. Moreover, Schiff had refused to allow his bank to participate in American war loans to Britain or France as long as they allied themselves with Russia. The suggestion of a link between Schiff and Trotsky came directly from the United States government — specifically, its Military Intelligence Division (MID) Ackerman's book cites how MID files from this period are rife with info against high-profile New York city Jews like Schiff and others, connecting them to Bolshevik leaders. He claims this was all simply motivated by "anti-Semitism" The go-between for money transfers was Israel Helfhand/Alexandar Parvus (did also get money from British and German intel and from Emmanuel Caruso, the donmeh businessman in Turkey). Plus, without 1905 defeat, there would have been no 1905 crisis and Russia would have been stronger in WW1. Without Kerensky, no November 1917. Someone in New York gave gold to Trotsky. Someone compelled Canadian govt to release him v Russia! Lenin "6 months in power or on gallows" A very close run thing, so without billions from Schiff undermining the whole state for more than a decade, there would have been no Bolshevik Revolution. EU / GREAT REPLACEMENT – white world. Main actors in diff countries. Richard Coudenhove-Kalergi. Born 1894 AustroHungarian/Japanese 'Spanish' trace was Sephardic Jew. Married IDA ROWLAND – so 2 Jewish sons 1923 published 'Adel' outlining plan for European Union Seen by Rothschilds, Bernard Baruch and Schiff. Schiff gave 60,000 gold marks Funded 1924 Journal Europa. 1926 Paneuropa Congress Vienna. 1926 Praktischer Idealismus. Developed ideas in Adel EU role well known, God-father Destroy nations, end war, but also necessary if you want to rule the world unchallenged Bankers' interest! First winner of Charlemagne Prize (often called the C-K Prize) Anthem. Currency. Symbol. But imperialists of all stripes have often seen the threat that nations which survive ethnically and culturally may one day revolt and take back independence, hence the second – better concealed – desire: To eliminate white nations through immigration and miscegenation. "The man of the future will be of mixed race. Today's races and classes[a] will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals." Much harder to find, 30 pages further on: Persecution of Jews and anti-semitism based on envy "refined and educated this people into a future leader-nation through the artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a

spiritual nobility of Europe..... therefore gracious Providence provided Europe with a new race of nobility!" Reading his books, he emerges as a crank! But his ideas and drive were used by serious men. Others have pushed mass immigration too, others have pushed the ethnocide of white Christians. Talmudist Judaism promotes the destruction of Edom and Amalek, and believes that the Muslims - the sons of Ishmael – must destroy Europe before their Messiah can return - End Times only with destruction of goy nations. On top of that, we've had Communists importing revolution and capitalists importing cheap labour . Similarly, the creation of the European Union was aided massively by the Cold War CIA. But despite the involvement of others, without Coudenhove-Kalergu there would have been no EU and none of its Great Replacement push. And no C-K without JC. CHRISTIAN=ZIONISM Huge impact on foreign policy – from bottom and top. C-Z block vote, plus Presidents who believe in it too.
